- Remove any proprietary notices or labels on or in the Software.

3. LICENSE TYPES

The Software is licensed through a number of different license types, to which the additional:

1. Connection to the database requires the purchase of a Client Access License. The maximum number of computers, workstations or users that may directly or indirectly access or otherwise utilize the Database at any given point in time may not exceed the number of Client Access Licenses that you have purchased. Use of software or hardware that reduces the number of users directly accessing or utilizing the Server-installed Software (sometimes called "multiplexing" or "pooling" software or hardware) does not reduce the number of Client Access Licenses required.
2. Client Access License. On payment of the License, the license code will be issued for a Client Access License. This Client Access License allows you to install the Software on the hard disk of a single computer for access to the Database installed on the Server. The maximum number of computers, workstations or users that may directly or indirectly access or otherwise utilize Server-installed Database or the Software at any given point in time may not exceed the total number of Client Access Licenses that you have purchased.
3. Evaluation Client Access License. If you have obtained permission from Adiles to evaluate the Software, you may install the Software on a temporary basis for evaluation purposes only. The evaluation period is limited to the permitted days from the date the Software is installed. Upon completion of the Evaluation Period your license to use the Software expires. During the Evaluation Period, the software is provided on an "as is" basis and you assume the entire risk as to the quality and performance of the software. If you have obtained permission from Adiles to evaluate a multi user version of the Software. The evaluation version of the Software is not licensed for an initial implementation toward Go Live.
4. Upgrade License. If you have purchased the Software as an upgrade, the Software constitutes a single product together with the product that you upgraded and may not be used to increase the total number of licensed copies of the Software.

4. MAINTENANCE

Maintenance of the Software will be exclusively supplied by Adiles to you in accordance with the maintenance schedule attached to this License Agreement. You acknowledge that any failure to use the Maintenance provided by Adiles or other vendors represented may prevent Adiles or vendors represented from being unable to identify and assist in the correction of potential problems which, in turn, could result in an unsatisfactory software performance. Failure to use the Maintenance will also result in you Not receiving any of the Software updates or upgrades issued by vendors represented from time to time.

5. THIRD PARTY SOFTWARE PRODUCTS

This license does not grant you any rights in relation to any third-party software products required in conjunction with the Software, for example third party database products. You are responsible for obtaining the necessary licenses for such third-party software products as you may require. You acknowledge that the licensing scheme for third party software products may not correspond with the licensing scheme for the Software. This license does not include licenses to any 3rd Party database server software that is required to correctly operate the Software.

Adiles will provide you with a license code representing the Client Access License to allow full use of the Software once Adiles receives payment of the License Fee.

6. TITLE
